

# Make a SPLASH READ!

## *HOW THE CHILDREN'S SUMMER READING PROGRAM WORKS:*

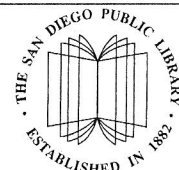

- #1 Pick up a reading log.
- #2 READ Books!
- #3 Keep a record of what you read in your log.
- #4 At 10 books (or chapters if they're big books\*) you get a bag of goodies, and two Padres tickets and a prize from the grab box
- #5 At 25 books (or chapters) you get a free book, and another prize from the grab box.
- #6 At 40 books (or chapters) you get a T-shirt and one more prize from the grab box.
- #7 The Program ends August 15<sup>th</sup>.

\* Parents, children's books and book chapters vary a lot in length. So do reading levels for children. As a rule of thumb small children's books are "one book" If a book takes more than an hour to read you may enter it as sections or chapters. About half an hour to 45 minutes of reading counts as a "book."
